

Dear children,

I wanted to write to you all today to wish you a happy Easter and let you know how much all the staff are missing you.

Our school seems very quiet without you all here rolling eggs and enjoying the Spring sunshine on the field but it is best that we all stay safe at home for a while to limit the spread of the virus. It is a shame that we were unable to have the egg model competition, the models always amaze me. If you did make a model, perhaps your parents could email a picture to the school for me to see.

I'm sure that you are all working hard at the home-learning activities which the teachers have set for you; remember to keep having breaks to help you to concentrate.

Your teachers have put work on the school website for you ready to begin work again after the Easter holidays. If you finish all your work, you can create some projects of your own about anything that interests you. There are some more exercise books for you in your class box in the entrance area at school if you run out of space – I'm really looking forward to seeing some of your work. Why not photograph some of your best pieces and email them to your teacher? I've put an email address on the school website so your parents can contact your teacher, ask them any questions about your home-learning and share your successes with them.

Keep using all the resources on the internet to help you learn but remember to let your parents know if you are using the internet and if you see anything you are uncomfortable with, make sure you show them. Never give out any personal details to anyone on-line.

Your families will be working really hard to keep you safe at the moment and remember that you can help with this by doing jobs at home.

If you have any worries, remember to tell your parents. We will be back at Springhead before you know it, enjoying each other's company, learning and playing with friends.

Have a lovely Easter; we are all missing you very much,

From Mr Anderson and everyone at Springhead Primary.
